## Introductions and Executive Board Update

---

### PTA Budget Season: Shannon von Felden

It is the beginning of PTA Budget planning for next year. Over the next couple of months we will be formulating a proposed budget which will be circulated to the community and presented at the PTA meeting a month prior to the vote of the PTA for approval. The PTA Executive Board will take all proposals into consideration when preparing the draft budget. Prior budgets are also post on the listserv.

Any proposals for budget items (projects or ideas which you want funded in the budget) should be forwarded to PTA President Shannon von Felden at Shannon\_von\_felden@hotmail.com. Proposals are due March 30, 2019. Feel free to reach out with any questions.

---

## Committee and Teacher Announcements

---

### Fundraising: Julie Aaronson

Maury at the Market is in one month! The most important ingredient to M@M is YOU! Please sign up to volunteer for a shift or two, it's only ½ hour and it is how this event functions. You can volunteer for set, up, clean up, the auction etc. This year mobile bidding will be the primary way that items are up for grab. There will still be the live auction. It is our biggest fundraiser of the year and will be a great time. Come on out and support Maury! Buy your tickets now!

### Upcoming ANC Meeting: Amber Gove (ANC 6 Chair and parent)

At the upcoming ANC meeting the parking variance for Maury teachers will be discussed. March 14, 2019, 7:00 pm at Miner Elementary School. Please come out and join us for a very important meeting of the whole ANC. There will be a discussion and request that the ANC vote to allow teachers to make during the daytime on street. A vote in favor would move the issue on the DDOT. This would potentially allow for more outdoor play space at the new Maury facility.

Also, Charles Allen will be there to present an update.

This Saturday will be a community litter clean up date.

---

## Principal's Update

---

We are currently looking at the middle of the year data on progress. Good news to report: There has been a lot for growth among the students which is really great. We currently are looking at 70% proficiently rates across the board. We will continue to assess as the year progresses and work diligently to address the achievement gap. We are proud of the growth our students are showing and the work our teachers are performing.

In terms of the budget, this is also DCPS budget season. PC is currently in discussions with DCPS, Maury staff and Maury's LSAT about school numbers and plans for the upcoming school

year. LSAT is the Local School Advisor Team comprised of parents, teachers, staff and community members and is an entity required DCPS. PC will be providing an update once the decision making and plans are finalized

---

### Math Activity

---

Assistant Principal Griffin

AP Griffin lead parent and children in math games which can be played at home and help student build on their skills they are learning at school. Games were provided at 3 different age levels. Fun was had by all!

---

### Next Meeting

---

3/21/2016 6:00 PM, Maury Multipurpose Room
